Next Level Training Selects Chester County Futures

Community Service project majorly impacts local nonprofit.

Next Level Training chose Chester County Futures as a recipient of their fundraising efforts.

COATESVILLE, PA (January 30, 2020)—

Next Level Training selected Chester County Futures (CCF) for a very unique fundraising opportunity. Next Level's 12th leadership cohort in the Philadelphia region, comprised of 30 dedicated individuals across the country and world, declared to raise \$62,000 for CCF in just 22 days.

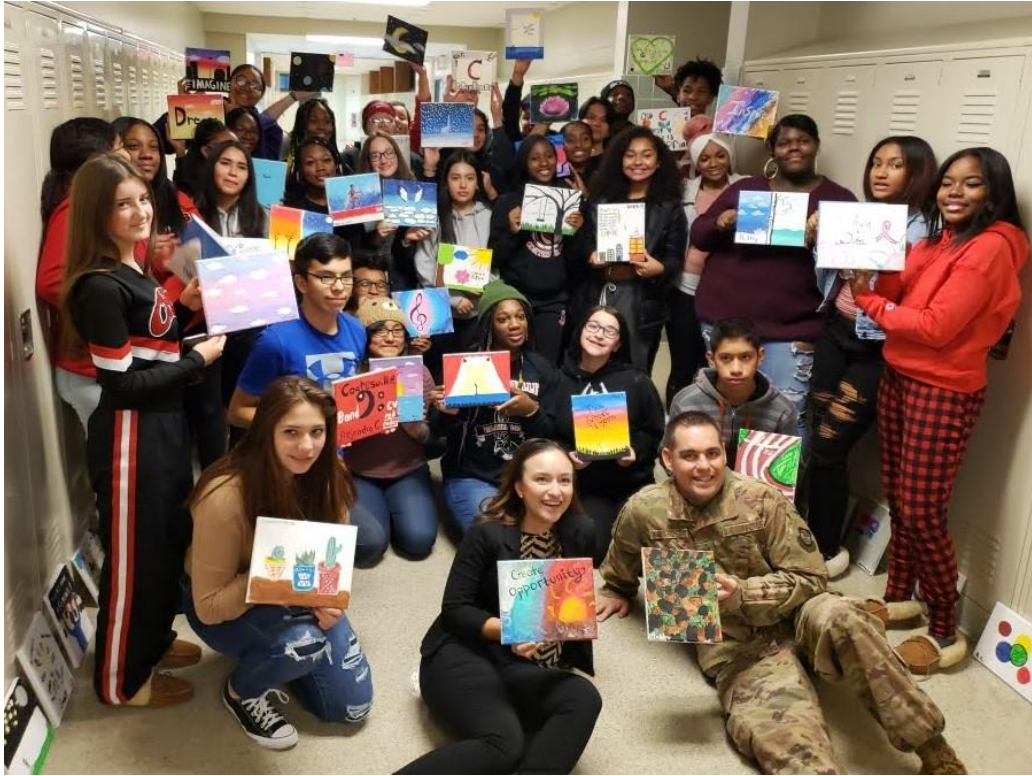

Next Level describes itself as "a transformational training organization that supports people in unlocking their power, passion and purpose." The 30 members of the Next Level team, who dubbed themselves "The Compassionate Crusaders", efforts proved to be a monumental success.

Chester County Futures Executive Director, Maria McDonald, and the rest of the nonprofit team were presented with a check for \$76,733.00 from the Next Level Trainings team. McDonald addressed the Next Level team explaining "To receive this level of support from people we don't know inside of 30 days is unheard of for small non-profits. I tell our students that there is an invisible thread that connects us all. It's our choice to find it and hang on to it or not. Now all of you have found that invisible thread and are connected to us. Because of that you will always be in our hearts. Thank you."

Next Level Training has raised \$83,334.83 for Chester County Futures to date.
